

Landscape Plan

The plans, illustrations, measurements and/or descriptions in this Landscape Plan, and in this Information Pack, are indicative only and subject to change during the course of the development. For example, changes may be made to the final landscape plan including the location of plants, the species of plants and the location of fixtures, fittings, structures or similar as a result of any resource consent or building consent or as required during the course of the development. Any areas or dimensions shown in respect of any lot area are subject to final survey.
